NEERO 2021 Virtual Annual Meeting

April 28 - 30, 2021

NEERO will host the NEERO 2021 Annual Meeting* as a **virtual** conference from April 28 - 30, 2021.

After reviewing the results from the recent survey to the NEERO community, which demonstrated substantial interest in a virtual conference and barriers to in-person attendance, we have decided host the conference as an entirely virtual event.

The NEERO 2021 Call for Submissions will be shared on September 1, 2020. Proposals will be due November 2, 2020. Stay tuned!

* Authors of accepted NEERO 2020 presentations are invited to present their research

in the same format at the NEERO 2021 virtual conference.

NEERO is also planning virtual events for Fall 2020/Winter 2021. More information to follow in upcoming newsletters.

NEERO's Commitment to Racial Justice, Inclusivity, and Equity

As the Board of the New England Educational Research Organization (NEERO), we are compelled to speak out in response to the murders of George Floyd, Breonna Taylor, Ahmaud Arbery, Rayshard Brooks and a long list of Black people and people of color whose lives have been cut short by senseless acts of brutality, violence, and racism. We share our outrage, frustration, and an ongoing commitment to action. Black Lives Matter.

Each month, we will share links and resources that support efforts to advance racial justice, inclusivity, and equity:
